

**Tres Martin's Performance Boat School
9440 W. HWY. 326
Ocala FL 34482**

September 6, 2006

Tres' course was an eye opening experience.

I've boated for over 23 years and I feel this course was worth every penny.

I would recommend it to anyone involved in operating a power boat.

Preparation is prevention and prevention is the key to safe boating.

Thanks Tres. Scott
