Tres Martin's Performance Boat School
9440 West Highway 326
Ocala, FL 34482

Re: Performance School

Dear Tres:

Thank you so much for a very educational two days of training on high performance boating and safety. You were always focused on the material we needed to get through, but always open to questions.

Very informative! Totally amazed at such simple things that make it so easy and effectively to drive a performance boat.

Sincerely,

Linda Raley
